

## Prior Design Gives the Mercedes CL a Makeover

14/07/2011 03:58 by admin

Last we heard from the guys at Prior Design, they were giving the Gallardo a heretical tuning that made it look like the ultra-rare Reventon. Before that, the customizing specialist had tickled the new E-Klasse, and now we find out the spiritual predecessor of the Mercedes coupe was also among their targets.

We're talking about the now venerable CL two-door (the W215), one of the best-looking Mercs we've ever laid our eyes upon.

The coupe is completely redesigned and now it has even better...[...]
