Mansory typically provides its customers with some pretty cool tuning packages for their sports cars, but now the tuner has revealed a limited edition watch to add to their customers' wish lists. Only 50 units of chronograph will be offered, and each of them will carry a price tag of ? 8,900 (approx. \$13,000 at the current exchange rates). Kourosh Mansory, CEO of the Mansory said: "The co-operation with GRAHAM-LONDON derives from my long-term friendship with Eric Loth, founder and board member of GRAHAM-LONDON. His passion for dynamic automobiles and my enthusiasm for high-quality chronographs are perfectly combined. The GRAHAM MANSORY Chronofighter Oversize confirms this in a very impressive way." [...]
