

Bugatti Veyron "Chrome Red" by Dartz

18/07/2011 18:56 by admin

Somewhere in Latvia, the minds over at Dartz are probably hunkered down in their shops looking for new ways to come out with some of the world's most eccentric works. Regarded as an aftermarket tuning company that has produced some off-the-wall projects, including the Prombron Nagel and the Iron Diamond, Dartz is back at it with a new program specifically for one of the world's fastest cars, the Bugatti Veyron. Without proper regard for fine taste and clear aesthetics, Dartz went out and turned this Veyron into a screaming chrome red fireball that immediately draws attention to itself, as if the Veyron doesn't already do that on its own.[...]
