After ABT and Senner Tuning wrapped their hands around the recently launched Audi A1, German tuner, MTM, decided to have a go with it as well. That was almost a year ago, and the changes only covered the cosmetic parts at the time, but the tuner has also gotten round to playing with the engine, with mightily impressive results.

You probably think we're going to bring you a 220 horsepower kit, maybe a 250 hp one, right? You're definitely not ready for this one, so we'll give it to you straight... [...]
