

DMC Reveals 590 HP Sovrano Maserati GranTurismo

22/07/2011 15:37 by admin

German luxury tuner DMC are always on top of the situation, releasing fresh designs and bolds color combinations. This time, they've turned their attention to Maserati's two-door marvel. The project is actually based on the MC Stradale version of the car that was unveiled at last year's Paris Auto Show, and we're already familiar with the project as it was previewed on James List last year, but the new Malta blue color works brilliantly to add extra color and flair.

The company's kit actually...[...]
