

## Tiny Audi A1 hits 201.324 MPH

26/07/2011 23:42 by admin

You know the problem with setting speed records in small cars? Keeping the clowns' helmets from knocking together. Still, MTM's 500hp Audi A1 recently exceeded 200 mph on Italy's Nardo test track. Not bad for something the size of a popcorn bag. [...]
