

Hennessey Reveals Monstrous 1,000HP Cadillac CTS-V Coupe

27/07/2011 19:51 by admin

Hennessey is one of America's best-known tuning houses offering solutions for a great number of vehicles ranging from Nissan GT-R bashing Caddy Escalades to Ferrari's 458 Italia and anything in between. Having already tuned the sedan and estate versions of the Cadillac CTS-V, Hennessey decided it was time to give a little attention to the coupe version: hence the V1000 CTS-V Coupe was born.[...]
