

Maserati GranTurismo Turned Superior Black by Anderson Germany

29/07/2011 17:22 by admin

Specialized in making playful sportscars look menacing after receiving one of their special treatments, German car tuner Anderson Germany seems to be seeing a dark knight in every four-wheeled creature. Take for example their latest package for the Maserati GranTurismo S.

Now dubbed, Superior Black Edition, this incarnation comes with various visual modifications, but a performance enhancement is also available.

Taking it one step at a time, the tuning specialists have chose to cover the G... [...]
