

How to Trick Out a Scion tC in 6 Hours

30/07/2011 03:28 by admin

In its never ending to reach out to a hipper, younger audience, Scion joined forces with tuning shop Auto Werks of Northbrook and Chicago-based radio station B96, to trick out one of their listeners car during the B96 Pepsi Summerbash concert. The winner of the Scion sweepstake was young lady named Becky who owns a tC coupe. Her two-door model was upgraded with lowering springs, blacked-out wheels, LED light kits, body kit, graphics, a high-end audio system, and more, with the entire process taking around 6 hours.[...]
