

New Mercedes-Benz SLK Polished up by Brabus

05/08/2011 19:01 by admin

Whenever there's a new Mercedes-Benz model out, you can be sure that Brabus will be one of the first customizers to jump on the tuning bandwagon. For the 2012 Mercedes-Benz SLK roadster, the German firm has developed an extensive customization program to take care of both the styling and performance aspects of the car.[...]
