

Senner Tuning Lays its Hands on the Audi Q5 2.0 TDI

15/08/2011 22:19 by admin

Continuing its assault on Audi's portfolio, German aftermarket specialist has introduced a new package for the Q5 SUV fitted with the 2.0-lited TDI turbo diesel engine. Thanks to a new performance kit that includes an ECU upgrade, sport filters and a custom exhaust system, the four-cylinder diesel engine's output is lifted from 170-horses and 350Nm to 213HP and 445Nm (328.2 lb-ft).[...]
