

## Ferrari California Kahn Monza Edition Unveiled

25/08/2011 01:06 by admin

Yes, the tuners at Kahn Design are back, showing us there is no limit to their imagination. And when passion has its say, we get to thrill our senses with a project such as the one presented here: the newly released Ferrari California 2+2 S-A Kahn Monza Edition.

The A. Kahn Ferrari California is aimed at owners who desire a car which embodies everything the Kahn badge represents: sporty design and innovation with greater versatility, the tuners say in a company statement.
