

NISMO-developed GT-R Makes its Debut in GT3 Racing Series

31/08/2011 23:11 by admin

Nissan's GT-R GT3 entered its maiden race in the fourth round of the Blancpain Endurance Series. Developed by Nissan's tuning and racing division, NISMO, and JR Motorsports, the GT-R competes in the GT3 series which includes production-based models such as Audi's R8, the Porsche 911 and the McLaren MP4-12C.[...]
