The Mercedes CL63 AMG already offers plenty of what customers look for in a sports car: aggressive design, powerful engine, and a Mercedes "Silver Arrows" logo. But if enough just isn't enough for you, then German tuning firm, Vath, is offering a new performance package for the CL63 AMG that will leave smiles on your faces and holes in your pockets. Before getting into the performance upgrade, Vath added a few exterior and interior modifications. There's a carbon fiber body kit that includes a radiator cover, a rear diffuser, and a boot lid spoiler. The car also gets a new set of 20" lightweight alloy wheels wrapped in 255/35 ZR20 tires at the front and 255/35 ZR20 tires at the back. As for the interior, Vath is offering a number of options, including plenty of leather and trim choices.[...]
