

06/09/2011 16:05 by admin

It should come as no surprise that Xplore is keen to show the outdoor wonders of America to whomever is willing to beef up their off-roader vehicle. To this end, a four-wheel-drive 2011 Toyota 4Runner has been taken from stock to shock.

"The new Toyota 4Runner is an absolutely amazing vehicle," states Jeff Wyatt, CEO of Venchurs. "On a recent trip to Ouray, Colorado, I witnessed firsthand how impressive it's capabilities are as it scrambled up a rocky shale trail I didn't even ... [...]"
