Sometimes, dictionaries are useless. How come? It's simple. Let's take the word opulence for example. Give us a few seconds to look it up please. This is what we found: ostentatiously rich and luxurious or lavish. But why do all that when you can just go to the United Arab Emirates and see what the aforementioned word means. You'll probably get multiple definitions per second.

Want an example? The Ford SVT Raptor. Not any SVT Raptor, but the one in the video bellow, which is said to come from... [...]
