

RS Tuning Modifies RenaultSport Megane to 320HP

07/09/2011 19:13 by admin

The Megane RenaultSport 250, as the hottest version of Renault's compact hatchback is known in the UK, has received the attention of British firm RS Tuning. If the standard model's 250-horsepower put on the road through the front wheels aren't exciting enough for you, then maybe RS Tuning's 'Stage 2' package is the answer. [...]
