

Hamann Announces 2011 Frankfurt Tuning Offensive

08/09/2011 19:25 by admin

The Frankfurt Auto Show is less than a week away and we are preparing ourselves for an avalanche of new cars and revolutionary concepts. However, the German event will also bring an explosion of aftermarket developments, with this segment of the automotive world being on an ascending trend.

One of the most important tuning names at the event is Hamann, which is now warning us to prepare for its Frankfurt offensive. The company will give us a complex modification package for the Porsche Paname... [...]
