

Project Kahn Spiffs up the Audi A5 Coupe

08/09/2011 22:26 by admin

British designer Afzal Kahn has presented a new take on the (pre-facelift) Audi A5 Coupe. The tune starts with a matt pearl gray finish enhanced with a bodykit that adds R8-style front and rear vented bumpers, a new front grille finished in black with a red surround and a rear boot lid spoiler. The final touches come via the quad tail pipes, tinted windows, 21-inch matt black lightweight alloy wheels and a lowered suspension that gives the car a more aggressive stance.[...]
