

IAA 2011: Abarth Turns Fiat's 500 City Car into the 695 Competizione

14/09/2011 17:31 by admin

A new version of the 500 city car was Abarth's most important model at the 64th IAA. As you can probably tell from its name, the Abarth 695 Competizione is a hardcore version of the normal Abarth 500, and it also pays homage to the company's race-tuned cars of the past. [...]
