

Anderson Germany Overdoes the Porsche Panamera Turbo

15/09/2011 23:51 by admin

In general, German tuners aren't known for their restraint in the visual department and Anderson Germany's latest take on the Porsche Panamera Turbo is no exception to the rule. If you're looking for a subtle makeover, you may as well skip this post altogether because Anderson Germany has gone wild with its cosmetic proposal. The tuning firm starts by wrapping the Panamera sports saloon in a matte red vinyl cover.[...]
