

Dubai Supercar Workshop Video Tour

23/09/2011 18:11 by admin

Dubai, United Arab Emirates. This is a location that will allow you to see some of the craziest-looking custom car projects in the world, with the colorful (literally) automotive creations ranging from the Mercedes G55 AMG to the Bugatti Veyron.

However, we usually get to show you these rides on the street, but we couldn't help wonder where they're born. No, not where the cars are born, that's simple - all over the world, but where do they received the extreme eye-candy treatments.

One an... [...]
