

Superchips Plays With Citroen DS3 Racing

28/09/2011 11:31 by admin

Despite the high gasoline prices across Europe, not a month goes by without us having to report on a new sportscar or hothatch. So people still have the urge to go fast and look good while doing it.

One of the unsung heroes of the go-fast market is the Citroen DS3 racing, and with the arrival of the third model in the DS range, it's the perfect time for one tuner and ECU remap specialist to show what it can do with the little goddess.

Thus, the Brits at Superchips have taken to making a [...]
