

Mercedes E350 Custom Treatment by Hess Motorsports

29/09/2011 19:48 by admin

US custom car company Hess Motorsports has decided to give a new identity to the Mercedes E350, fitting the car with a list of goodies that turns it into a piece of eye candy.

We shall start with the mods that are focused on aesthetics: the vehicle has received two discreet styling elements, in the form of an upper rear spoiler and a lower rear trunk spoiler. In addition to that, Hess Motorsports has brought a Llumar medium dark tint for the windows, which combines with the Gloss Black paint ш...щ
