

## Underground Racing Lamborghini Gallardo Twin-Turbo Is a Sleeper

06/10/2011 15:59 by admin

Can a Lamborghini Gallardo be a sleeper? You don't need to be... anything, to know that the answer to the aforementioned question is a big, fat NO! At least this is what people think. However, appearance can be deceiving. Let us explain.

Let's say that you pull up to the Gallardo LP-570 Superleggera in the adjacent images at the traffic lights. Maybe you're driving the Aventador, Lambo's new toy that everybody is talking about. You'll probably think that you can own the guy next to you just ... [...]
