Hennessey Performance is celebrating its 20th anniversary, so it has come up with a limited edition 2012 Camaro coupe and convertible package called the HPE650. Only 20 cars will ever be made, and they will all be as scary on the road as the black on black paintjob will make you think they are.

This 650 horsepower supercharged Camaro should be the ultimate exclusive big-power pony. Thanks to the extra grunt, the 0 to 60 mph (96 km/h) sprint is dealt with in 3.7 seconds, while the quarter mile...[...]
