

Project Kahn Murders Out Brabus-Prepped Mercedes-Benz SLK200 AMG

13/10/2011 00:10 by admin

If you ever wondered what a factory-tuned vehicle like a Mercedes SLK 200 [R172] would look after two independent tuners got their hands on it, Project Kahn has you covered. You see, British designer Afzal Kahn took a Mercedes SLK 200 that had already been fitted with an extensive AMG sport package and then further honed by Brabus and added his own personal touch.[...]
