

## Lotus Evora S GP Edition Unveiled

13/10/2011 15:16 by admin

Lotus has recently joined forces with Bell & Colville in order to pay a homage to the iconic Lotus F1 racers that have written racing history throughout the past. Dubbed the Evora S GP Edition, the vehicle can instantly be recognized by its livery, using black as a base color and coming with golden and red details.

The vehicle also comes with a premium package and a technology package, in order to make sure that its owner enjoys everything he needs.

As for the tech side, this has remained ... [...]
