

Hyundai Genesis Hurricane SC to Shake SEMA 2011

14/10/2011 00:30 by admin

As the SEMA show approaches, more and more projects start to appear and it seems that one of the most prepared carmakers is Hyundai, which is now announcing its third creation for the event.

We've already met the ARK Performance Veloster and the PM Lifestyle Veloster and it is now time to find out some details about the third toy, the Genesis Coupe Hurricane SC Edition, a project handled by Hyundai America Technical Center Inc. (HATCI).

We have to start by telling you that the tech side of ... [...]
