The reason for which we have received this set of images portraying a bad girl with more tattoos than skin is that German aftermarket developer Edo Competition chose this pathway to promote its new tuning kit for the Porsche Panamera S.

Dubbed Hellboy, the package, includes both technical and aesthetic modifications, as well as targeting the exterior.

The vehicle's 4.8-liter naturally-aspirated V8 has been upgraded from 400 to 465 hp, while the suspension has received a lowering module [...]
