

Tjin Edition Preparing 2012 Ford Explorer and Mustang GT 5.0 for the SEMA Show

18/10/2011 21:26 by admin

As usual, the upcoming SEMA Show in Las Vegas will be crowded with plenty of one-off and accessorized vehicles from most carmakers. As a preview, the crew over at Tjin Edition have released some up skirt photos of two of the Ford models they are currently working on in partnership with the Detroit automaker. First up is Tjin Edition's take on the 2012 Ford Explorer. The teaser picture only provides a glimpse of the tuned crossover model, but the company has shared some initial details.[...]
