

Lumma Design Porsche Cayenne Configurator Lets You Go Wild

20/10/2011 18:43 by admin

Car configurators aren't new stuff, but when a tuner decides to offer one and makes it more complex than many factory stock ones, we can't help but sharing it with you.

Ladies and Gentlemen, behold the the Porsche Cayenne CLR 558 GT configurator! The level of attention to details is astonishing, so you'll even get to play with the trimming that surrounds the glasshouse.

Since we're talking about Lumma Design, expect to get to play with wild colors and bold options. But we won't spoil the [...]
