

Chevrolet Cruze Tijn Edition

24/10/2011 19:24 by admin

By our count, this is the fourth teaser image of a Tijn Edition vehicle headed for the SEMA Auto Show. Following in the footsteps of the Ford Mustang, Ford Explorer, and Honda Civic SI, the latest installment of 'Tijn Teasers' features a sneak peek of a Chevrolet Cruze. It's only a teaser photo, although it's one that has definitely gotten our attention. The GM sedan is dressed in a customized Dupont Sunburst Yellow paint finish and comes with a slew of modifications, including a new LED headlight set-up courtesy of Light Wurkz, as well as a new set of blue 19" Rotiform TMB wheels wrapped around Falked tires with matching yellow 6P Baer brakes. Inside, the Tijn Edition dressed up the Cruze with black leather seats and a new comprehensive audio set-up.[...]
