

Hennessey 2012 Ford Mustang Boss 302 HPE700 Quarter Mile Run Video Released

25/10/2011 17:31 by admin

Earlier today, we showed you a new record set by a Hennessey Cadillac CTS-V Sport Wagon. We are now back with a product from the American tuner, but this time we are atalking about a full bad boy, the 2012 Ford Mustang Boss HPE700.

The car has already been released, but we are here to see a video that shows us what its 700 hp can do on a dragstrip. OK, we'll get to the point and tell you its quarter mile data. Henessey's 2012 Ford Mustang Boss HPE700 can play the quarter mile game in 10.9 sec... [...]
