

Fiat Tunes Into the New 500 for the SEMA Show

25/10/2011 20:32 by admin

A pair of fancied-up Fiat 500 hatchbacks will be making their way to Las Vegas next week for the 2011 edition of the SEMA aftermarket show. The Italian company released a single picture of the 500 Titanium while we only get some initial details on the firm's second concept, the 500 Carbon.[...]
