

Twin-Turbo Ferrari 458 Italia Spanks Lamborghini Aventador LP700-4 in Race [Video]

26/10/2011 23:43 by admin

Underground Racing is known for its radical supercar tunes that include insanely high-powered creations such as the bi-turbocharged Lamborghini Gallardo. In this latest video, Underground Racing shows off its immensely powerful Ferrari 458 Italia Twin Turbo that stomps out 700 rear-wheel horsepower on 93-octane pump gas going against a stock Lamborghini Aventador LP700-4 in an on-the-road drag race.[...]
