

## Kia Rio Surf Concept Coming to 2011 SEMA

27/10/2011 15:49 by admin

Feeling in the mood for surfing? We can tell you that Kia certainly does, as the automotive producers has joined forces with Antenna magazine to give us a surf-themed concept based on the Rio at the upcoming SEMA event.

The vehicle is dressed in a sunset-metallic coat, comes with two-tone lightweight alloy rims (gold is the main color here) and brings goodies such as a centrally-mounted dual exhaust system with generously-sized tips, as well as a wooden front splitter.

As for the interior,... [...]
