

Silverado Realtree Concept Coming to SEMA [Video]

27/10/2011 16:50 by admin

The 2500 HD version of the Silverado has been retouched to become the best hunting vehicle it can be in the form of the Realtree Concept that's coming to the 2011 SEMA Show in Las Vegas next month.

The concept is based on the 2500 crew cab version and features a a custom Champagne Silver Metallic exterior with Realtree graphics designed to help you blend in a bit. It's go-anywhere capabilities are enhanced by massive 35-inch off-road tires on 18-inch wheels and a custom front bumper with an [...]
