

## **Cartel Pitt Boss Scion iQ Brings the Summer to 2011 SEMA [Photo Gallery]**

28/10/2011 01:56 by admin

If you thought that the custom Scion iQ trio that will be displayed at SEMA - the one we showed you earlier - was extreme, wait 'till you see what Cartel, the company that treated us with a stretched Scion xB at last year's SEMA, has to offer us for the 2011 edition of the show.

Dubbed Pit Boss, this Scion iQ takes a roadster from. However, it's not only open-air, but also comes with a a chopped windshield. But this is no boulevard ride, as Cartel claims that it is inspired from the world of... [...]
