

Scion iQ Loses its Top and Heads Down to the Strip for the SEMA Show

28/10/2011 02:56 by admin

There's no question that the Pit Boss Cartel iQ is the weirdest of all the Scion iQ mini cars heading down to Las Vegas for next week's SEMA aftermarket show. Created by Cartel, the Pit Boss is a two-seat speedster version of the small Scion supposedly inspired by the world of motorsports but equipped with the latest word in infotainment systems. A strange mix indeed.[...]
