Each man has his own vision of a perfect garage and we are here now to take a look at one that has Rolls-Royce written all over it.

The owner started building his dream car team with a Rolls-Royce Phantom dressed in purple and wearing gold plating, with the vehicle coming from UK supercar dealership SuperVettura.

Then, as we found out from Shmee150, the uploader of this youtube video story, the man also wanted a Drophead coupe, which was finished in black and red.

His collection also [...]
