

Cadillac CTS-V Coupe Le Monstre to Terrorize Las Vegas with 1,001HP Supercharged V8

28/10/2011 20:05 by admin

The SEMA Show is all about excess - be that for the appearance and performance of the tuned cars or the upgraded booth models. And there seems to be plenty of that going on with the 2012 Cadillac CTS-V Coupe created by "The D3 Group", which will be displayed at Toyo Tire U.S.A.'s booth at the Las Vegas aftermarket show.[...]
