

2011 SEMA: Toyota Long Beach Racers Tacoma

30/10/2011 20:00 by admin

Toyota is planing a serious atack for this year's edition of the SEMA event, with one of its soldiers being the Long Beach Racers Tacoma. We are talking about a heavily modified pickup that is set to compete in the 2011 Tecate SCORE Baja 1000 with former freestyle motocross rider racer Andy Bell behind the wheel.

The creators of the project, the Long Beach Racers, are a group of Toyota fans who race Toyota trucks in Baja on a daily basis, with the project being currently in contention for the... [...]
