

2011 SEMA: Oakley Surf Toyota Tacoma

30/10/2011 21:01 by admin

Toyota seems to be determined to please everybody at the upcoming SEMA event, and in its quest, the company will introduce a custom project destined for surfers.

The Oakley Surf Tacoma uses a 4x4 pickup powered by a V6 engine and TRD supercharger that generates 304 horsepower as a base and was tuned by Smithbuilt.

The vehicle aims to offer a complete experience for surfers, catering to all their needs and allowing them to travel the world in search of the best waves.

Let's see exactly w... [...]
