

Jon Olsson Uses Lamborghini Gallardo Ski Transporter for 2012

31/10/2011 14:39 by admin

Earlier this year, alpine ski racer Jon Olsson, who is also a car enthusiasts, visited the Koenigsegg factory and started considering buying one of the carmaker's extreme creations. He was also considering acquiring a Lamborghini Aventador, but it seems that he actually got himself another car for this winter.

The 2011 racing season will see Olsson ditch last year's Nissan GT-R and transport his skis on a Lamborghini Gallardo. We don't know why the Koenigsegg was left behind, but he said the ... [...]
