

## MC Sport Line, Maserati's New Customization Programe

14/01/2009 09:17 by *Tuning - AutoEvolution*

Maserati unveiled a new series of go faster goodies for all their beautiful vehicles. Just like Ferrari who has the One To One Personalisation Programme, the glamorous firm launched the MC Sport Line yesterday at the Bologna Motor Show.

Maserati have presented their kits on a white Maserati GrandTurismo S and if you have such a car or just a simple GrandTurismo you can start ordering these bits and pieces in early 2009. Exterior kits include front and rear carbon fiber spoilers, s...
