

2011 SEMA: Hat Trick Kia Forte 5-Door

02/11/2011 15:08 by admin

A total of six sports-themed Kias made their way down to the 2011 SEMA Show in Las Vegas this year, and if you though that the Hat Trick name referred to something hockey-related, you'd be right. The Kia Forte has been modified in cooperation with Antenna to fit hockey sticks from the trunk through the center of the vehicle into the cabin.

To do this in a cool way, the Forte 5-door has renounced its back bench in favor of two bucket seats with custom upholstery and there are custom-molded sp... [...]
