

Anderson Germany Ferrari 458 Carbon Edition Unveiled [Photo Gallery]

02/11/2011 16:09 by admin

The guys at Anderson Germany must have a lot of time on their hands to play with the 458 Italia, because the tuners have released yet more mods for the ultra-fast Ferrari. This time, the Italia has been named the Carbon Edition, and bring both cosmetic and performance enhancements.

A total of 53 hp have been added to the 4.5-liter V8 via a an optimized engine software and a sports exhaust system, which enables the 458 to have there noise levels to scare pedestrians with.

The Anderson Ferra... [...]
