If Gaming is not your thing, but you do appreciate good music, then REMIX has also prepared the perfect Veloster for you. Called Veloster Music, the new car features a BASF matte black paint combined with matte black headlights, gloss Hyundai logos & trim and smoked taillights. The final touch for the exterior has been given by a new set of 19-inch Privat Legende wheels in graphite. The interior has received black Vinyl & Suede dash & door panels, red leather seats, black Suede headliner with guitar mount, red painted trim, red LED lighting and red stitched steering wheel.[...]
