

Toyota FT-86 TRD Tuning Leaked

02/11/2011 19:10 by admin

The Internet has been boiling with leaked info and pictures about the Toyota FT-86 and its Scion FR-s and Subaru BRZ sister cars and now it is time for a new episode of this saga. This time we are talking about leaked images that show Toyota Racing Development (TRD) tuning parts for the FT-86.

According to ft86club, the forum that posted the images, these performance goodies will also be available for all three cars. So, let's see what this is all about...

The list of tech goodies includes... [...]
